

## Directions to the DeWaele's

194 Hagstrom Road  
Thompson, CT 06277

We live in “far” western Thompson on the Woodstock line. A few roads to the east are tight and a bit bumpy. It is easier as well as prettier and smoother to drive from the north, west or south. The below map highlights the best roads, in green, to take to get here from all points.

We are located just up the hill from Payne District Road on the left. **(Google Maps has our address too far east by a ½ mile!)**

Directions from the finishing points for the CT-AROC and AONE tours are included in their individual announcements and entail taking the best roads.
